BBBL SOCIAL RESPONSIBILITY & UPCOMING TARGETS

- Inviting people with disabilities as a technical staff during the tournament, thus helping them to get more involved in everyday life around us.
- Introducing girls as referees in tournament games, to show that no only boys can do this sometimes very demanding task.
- Organize training camps and seminars for the young referees and table officials, as well as coaches, so they can get that valuable insight into their chosen trade and learn from the best in industry who will participate in those events.
